Love Our Children USA™ is the leading national nonprofit and 'Go-To' prevention organization fighting all forms of violence and neglect against children in the U.S. Since 1999, Love Our Children USA has broken ground in preventing violence against children and eliminating behaviors that keep them from reaching their full potential. Love Our Children USA teaches effective parenting solutions and fosters kid success by creating valuable programs that empower positive changes in parenting and family attitudes, bullying and cyberbullying prevention, Internet safety and school violence prevention through public education. The goal of Love Our Children USA is Keeping Children Safe® and strengthening families.

STOMP Out Bullying™ - A national anti-bullying and cyberbullying program for kids and teens is a signature program of Love Our Children USA. Created in 2005, it focuses on reducing and preventing bullying, cyberbullying, sexting and other digital abuse, educating against homophobia, racism and hatred, decreasing school absenteeism, and deterring violence in schools, online and in communities across the country. It teaches effective solutions on how to respond to all forms of bullying; as well as educating kids and teens in school and online, providing help for those in need and at risk of suicide, raising awareness, peer mentoring programs in schools, public service announcements by noted celebrities, and social media campaigns. An additional focus educates parents on how to keep their children safe and responsible online.
